INFINITE

- INFINITE is designed to provide large displays for advertising, monitoring and controlling.
- INFINITE is a super-thin digital multi-display, developed by PDP's cutting-edge technology.
- INFINITE is flexible to cater for all requirements and slim enough to fit in all environments.
- Single PDP units are combined for gigantic PDP displays with an almost seamless gap (less than 4mm) between panel.
- This is the most outstanding feature – infinitely expandable!
- INFINITE can fit any place as you imagine.
